NOTE: While each Shell company is a separate legal entity, in this communication the terms "Shell", "Group" and "Shell Group" may refer to some or all of these companies. References to regional or global operations or businesses (including "Downstream" and "Manufacturing") reflect groupings of activities that have common functional guidance or service relationships. This communication is made pursuant to applicable service agreements. If the communication is received by other than the intended recipients, please contact the sender and delete this message without disclosing it. Unless expressly stated in this communication, nothing in this communication should be construed as a digital or electronic signature to a commitment to a non-Shell party.
